

Congratulations on living your Best Year Yet! This reference guide will help you find all the tools that are available to support you on your journey. These resources can be accessed using the Producing Results Online (PRO) system, the link below or on the [Effective Edge alumni site](#).

Producing Results Online (PRO) Account

[Sign into your PRO Account to access support.](#)

1. **PRO Basics:** Sign in and watch the first video on the right side of your PRO Dashboard. PRO BASICS will walk you through how to use PRO and all of the resources available to support you.
2. **Live Follow Up Coaching Sessions:** Register for a free two-hour, Follow Up Coaching Sessions where a live facilitator will review the system and provide additional support. There is no limit to the number of sessions you can attend to maintain your system. [Click here for session dates and registration.](#)
3. **Monthly Reviews On-Demand:** After you watch PRO BASICS, watch MONTHLY REVIEWS for a step-by-step guide to completing a monthly review. Watch it again when you do your first, second, even fifth monthly review to get and stay familiar with how to keep your goals on track month after month.
4. **12 Principles of Transformation Lessons:** Once you've entered your own Best Year Yet Plan, click on "Resources" in the red bar across the top of the screen and select "Principles." There you'll find 12 lessons on the principles that support achieving your Best Year Yet.
5. **Producing Results® Audio Lessons:** Also under the "Resources" tab, you'll find an audio lesson that corresponds with each month of your plan. They are designed to provide you with the right support at the right time to keep you focused and inspired.

Best Year Yet!® App for iPhone and Android

Download the Best Year Yet® App for your [iPhone](#) or Android device (*coming soon!*). Access your plan anytime, anywhere to keep producing results and sustainability.
